

## **Save Hornby Swimming Pool campaign- Thank you!**

The 'Save the Pool' campaign would be nowhere without all the support and encouragement we get from our supporters and donors. Thank you so much.

Some more people to thank -

### **The Pool that Rocked!**

Just to follow up on our last newsletter and the fund raising party at the Hornby Institute on Saturday 12<sup>th</sup> August. Grateful thanks to the Hornby Village Trust for their help and all who bought tickets, donated and supported the raffle and helped raise well over £1200 in clear profits for our fighting fund.

It was a sell out event and a truly excellent result – well done.

A very special thanks to The Jetsons who put on a 'fab' night of entertainment, for all our supporters from around the valley and beyond, and especially those 'recycled teenagers' who danced the night away in the lovely 1950s dance hall. Some of us even learned how to jive! Great fun, lots of wonderful memories.

If you missed it don't worry, we are looking at a repeat early next year.

## Share Pledges

In addition our Share Pledge fund received several top-ups and donations on the night and Dave Collins advises that we now have well in excess of £20.000 in share pledges. This is just fantastic, it helps strengthen our campaign and raise the matched funding potential to get the pool into community ownership and fully operational again.

Another very big thank you to all who have pledged shares or indicated a willingness to do so. The more shares we have the stronger our position will be. If still not sure about this option please talk to Dave.

## Fund Raising event.

Our next 'fund-raising' event is –**Maelstrom Concert**. The Hornby Singers with Gathered Voices and Maelstrom present a programme of music and song at the Hornby institute on **Saturday 16<sup>th</sup> September**. Bar Opens at 7.00. Concert at 7.30 pm.

Tickets £7.00 from the Institute on 01542 22227 or Hornby Tea Rooms. Or on EBay, just look up **Hornby Pool Concert Night**, pay with PayPal and pick up on the night.

We are most grateful to the organisers of this unique event for donating all proceeds to the Hornby Swimming Pool Fund. So that's another big thank you - please give them your support.

No further news on our community ownership application just yet but Bob assures us that it is all going very well. Thank you all once again for your interest, support and pledges, if you have any concerns or questions about share pledges or anything else, do please contact us and tell us what you think.

Finally -We have had a few enquiries about holding or supporting fund raising events around our catchment area and if you have any ideas, suggestions, requests or offers of help I certainly would be very pleased to hear from you.

Kind regards and grateful thanks once again.

Roger
