Wishing you a Happy New Year - The fight goes on to re-open the pool.

Bob McGachie Chair of the project team says – ‘A question that people are asking is "when is the pool opening"! I liken our current situation to when you are buying a house and your offer has been accepted - enter the solicitors!! That's the stage that we are at with the pool at the moment. We are working with Lancashire County Council to put together the details that are required to be agreed upon and then converted into a contract document. This unfortunately takes time and a number of meetings to reach agreement on how the pool should be operated and the matters that both parties need to agree on jointly. It's frustrating but we should get there in the end'.

Come on Everybody!

OK , as Bob says we don't have an opening date just yet but the campaign to raise funds doesn't stop. We welcome sponsorship, share pledges and any other fund raising support in order to ensure financial viability. We also need hands-on volunteers to join our team and help bring the project to fruition. - Contact details below.

However , In the meantime please help us raise money later this month and support our - ‘Splish Splash’ 1950's party night at Arkholme Village Hall. .

A night of nostalgia with vintage live rock & roll pop music by The Jetsons, a dynamic 4-piece rock and roll band specialising in the music of the 1950s and early 1960s.

Their retro-repertoire celebrates the great classic British rock pioneers including Billy Fury, Johnny Kidd, Adam Faith, Marty Wilde and Cliff Richard

along with popular hits by US rockers such as Chuck Berry, Eddie Cochran, Ricky Nelson , Elvis, Bobby Darren and many more....

Enjoy the party; Songs you can sing with words that you can hear and understand! sit back, sing along or let your hair down and dance to this lively music.

There will also be ‘join in’ Jive demonstrations. You'll have a great night and be supporting the campaign for a Lune Valley Swimming Pool.

Enjoy the Music of your life and help get the pool open soon! Please come along on **Saturday 27th January 2018** for a night of nostalgia and re-live the golden age of Rock & Roll .

Blue Suede shoes not required. Oh, it's also close to Burns night but please don't expect the Bay City Rollers!

Bar opens 7.00
