

Revised opening date -Hornby Pool to re-open on Monday 9th April.

LVCS is pleased to announce that Hornby pool will now re-open to the public on Monday 9th April.

This means that we are able to welcome all schools to return in the new term. However because of past uncertainty surrounding the actual transfer date decision some schools had to make other arrangements and although very keen to support they cannot immediately guarantee to return- just yet. This is understandable but it does mean that we have to attract as many other users as possible in order to meet revenue targets.

There are quite a few improvements in hand and once the pool is refurbished and re-branded as the Lune Valley Community Pool we will be holding an official re-launch

In the meantime we are holding an open weekend on 7th & 8th April 10-5pm for all our supporters to come along and meet the team, enjoy a swim (subject to numbers) and discuss our plans for the future. We welcome enquiries from clubs, societies, affinity and friendship groups and PTAs etc. We are totally open to ideas so please come along and let us know what you want from your pool and help us get this superb facility up and running.

For further details, share pledges, sponsorship, newsletter or anything else please contact: email lunevalleycs@gmail.com or

Telephone 01524 805666.
